

Healthy Communities

We are looking for....

Fruit Trees that don't get picked.

We see you have a fruit tree in your yard with unpicked fruit. Would you like to see this fruit nourish people in your community during these challenging times?

You don't have to pick it yourself, we will send a group of volunteers to your home to pick what you are willing to donate to us.

All fruit will be distributed to those in need in the community. Resource Centers, Senior Centers, Recovery Homes, etc. (Your donation is tax deductible.)
